From The MD's Desk...

Beginning the journey with a handful of students 18 years ago, Manya Group has fulfilled study abroad aspirations of more than 250,000 students across India. We are proud to be associated with such bright young minds, who today are on their path of success working in various fields across the world.

With the advent of digital economy, based on new technologies, globalization today is a reality which has its impact on education, skills and jobs. We understand the future needs and develop our students accordingly. Our mission of optimizing students potential is part of all our study abroad services ranging from test preparation to visa support and beyond, across destinations ranging from US, Canada, UK, Europe, Australia and others.

We uphold the value of "Saraswati, before Lakshmi" which reflects in our approach of quality first in accomplishing our vision of creating new milestones in knowledge and skill enhancement. We are the largest partner of The Princeton Review (TPR) globally and have certified trainers to teach and train our students.

We invest in our students holistically to make them responsible citizens of the future. At Manya, we are deeply committed to the cause of the under-privileged and environment. Our policies are geared towards sustainability. With our efforts from organizing blood donation camps to encouraging the use of recycled paper we have been able to build an engaged community of global citizens.

Manya Education is a data-driven and technology enabled study abroad company.

"The methods used by the faculty are very engaging; they definitely helped me bring up my score by few notches which I believe would have been lower if not for Manya Education and the faculty. They will provide you solutions for the problems you don't even know you had. Manya helped me with the exact admissions procedure which helped me earn admits to 3 out of 5 colleges I had applied to."
